**AMENDMENT**

Sir:

This is in response to the non-final Official Action of September 15, 2006. This filing is accompanied by a required Petition for an extension of time of two months.

It is unclear if the Official Action was made final. The Office Action Summary indicates that the action was non-final (Box 2b), but paragraph 4 of the Action under the heading "Conclusion" indicates that the action was made final.

No amendment of this application is being made at this time, but a current Listing of Claims is provided on page 2 of this paper.

Remarks/Arguments begin on page 4 of this paper.
